OBJECTIVE

Experienced and detailed-oriented developer/designer seeking a challenging and rewarding position where I can use my creativity and technical skills to make the Internet a better place, one website at a time.

EXPERIENCE

DVL Seigenthaler
Sept. 2011 - Present

Front-End Developer

- Works in a fast-paced, creative and challenging environment to design and develop websites, email campaigns and interactive advertisements for a range of clients including high-profile healthcare, industrial and food and beverage companies.
- Writes in progressive and open-source programming and markup languages such as HTML, CSS, javascript and PHP to create accessible and usable websites.
- Creates streamlined processes and web design workflows to improve productivity for the agency and its clients.
- Develops custom PHP scripts and Wordpress CMS integrations to increase client website performance and usability.
- Works collaboratively with design and development team to produce websites earning numerous Addy and Parthenon awards

Josh Wilkerson Design
April 2008 - Present

Owner & Principle Developer/Designer

- Provides creative direction and implementation of interactive and printed items in a consultant/freelance role.
- Designs and develops websites ranging from single-page microsites to large-scale, complex, sites with a highly-customized CMS.
- Clients include: Leadership Music, Brittany Fuson Paper, Harpeth Marketing, Mizzouri, NEEDTOBREATHE, Guardian Pest Solutions, XMi Commercial Realty, Premier Service Group, Sony Music, Administrators of Gospel Music, Mighty Oak Builders, Frost Specialty, ThermoSound, Harborside Group & Panacea Clinical Consulting

Belmont University
June 2007 - Sept. 2011

Graphic Designer, Office of University Marketing & Special Initiatives

- Worked in a design team to produce award-winning publications, ad campaigns and university marketing material executed multiple projects simultaneously, while meeting deadlines and maintaining project schedules.
- Planned and executed various marketing and logistical strategies for the 2008 Presidential debate held at Belmont University including creating a interactive press kit distributed to attending media and special guests.
- Co-led a team of designers to concept, plan and execute the redesign of the Belmont University website. Provided a working version of redesigned website to the in-house IT Department for CMS integration.

EDUCATION
